

SeaRay™ Polishers

Tough enough to take on your floor care jobs and ask for more, year after year.

SeaRay 205

SeaRay 175

The SeaRay 175 & 205 floor machines are essential components for your floor care programs, designed to meet today's cleaning challenges. Built with durable cast aluminum housings, switch levers and bases, SeaRay's are workhorses you can depend on, year after year. Available in two widths, 17" or 20", both

units come with a 1.5 HP motor and triple planetary gear boxes. The machines feature an ergonomically friendly kick lever for unlimited handle settings as well as the unique molded-in Tote-A-Cap feature for extending the life of pad drivers and brushes. Pacific SeaRays – Spend Less. Get More.
