

REVOLUTIONARY

POWER STACK ADVANCED WipeSystem

Patent Pending

PURESAN

"It's quite simple: The highest quality wipes in the Ultimate Dispensing System!"

Patented technology that delivers unsurpassed results
Bulk flat pack refill stacks that eliminate all the problems of older center pull systems.
GO GREEN: Stop throwing endless, COSTLY empty plastic canisters in the landfill.

Go Green.. Stop throwing expensive plastic canisters into land fills.
Why pay more for lesser quality and harm the environment.
Use Bulk flat packs and save money and the environment

Don't just sanitize
PureSANIZE
the advanced level of clean

- ✓ Dispenses one wipe at a time.
- ✓ Absolutely no annoying initial threading needed
- ✓ Completely eliminates wipe fall backs (always a wipe available until empty)
- ✓ Easiest and quickest refill ever
- ✓ No leaks ever
- ✓ POWERSTACK Slim line dispenser uses 1/2 the space of bulk round dispensers
- ✓ No fingers ever getting stuck in lid (Safest most effective dispenser ever)
- ✓ Made of heavy duty metal vs older plastic dispensers that tend to break and malfunction
- ✓ Larger, thicker and higher quality flat pack wipes that clean better
- ✓ Increase customer satisfaction by always having a wipe available
- ✓ Decrease employee maintenance by using a fail safe system.. Just load and go.
